

# 2016 Indian Run Endowment Fund Report

---

March 2017

Dear Indian Run UMC members and friends,

The Indian Run Endowment Fund affords members and friends the opportunity to make contributions that provide a permanent source of income that will ensure the physical and spiritual presence of the Church in our community. The Endowment is sometimes called a “living memorial” as donations are often made in memory of loved ones who have preceded us, as well as to honor living persons whose actions glorify the Savior. Donations are above and beyond our normal financial support for Indian Run as the Endowment Fund reaches beyond our annual budget to supplement the Church’s ministries.

Our Endowment Fund is divided into several sub-funds, each created to enable donors to direct their support to the ministry they choose. The sub-funds are:

- The **General Fund** is for special needs determined by the church leadership, including major maintenance, improvements or additions to our physical facility.
- The **Missions Fund** is to support missions in and beyond the local church and community. This fund currently has restrictions on distributions until such time as it grows to a sufficient size to support the ministries for which it is designated.
- The **Worship and Music Fund** is for developing passionate worship and expanding the music ministry.
- The **Discipleship and Outreach Fund** supports Christian education, scholarship and outreach ministries.
- The **Special Missions Fund** also supports missions in and beyond the local church and community; its’ distributions are not subject to the same restrictions as the Missions Fund.

The Endowment Committee is pleased to report another successful year of supporting important ministries, assisted by strong investment returns. Highlights from 2016 include:

1. Distribution of \$3,900 in grants from the Endowment Funds, specifically:
  - a. \$1,200 to support Habitat for Humanity’s Hilliard Adopt-a-House program.
