

Staying Connected During This COVID-19 Season

Given the ongoing nature of the coronavirus pandemic, we have made the decision to close the office and the building until further notice. Our staff is working to offer online opportunities for continued connection and spiritual growth.

- [Amy Catanella](#), our Director of Children's Ministries, posts Sunday School curriculum and other good information on the Indian Run Children's Ministry Facebook page – "IRUMC Grace Place"
- [Nick Mastin](#), our Youth Pastor, is hosting zoom meetings for our youth ministry.
- [Andrea Laux](#), our Director of Adult Discipleship, helps small groups connect online for studies
- [Phyllis Fetzer](#), our Pastor of Congregational Care, is organizing efforts to reach out to the entire church family.
- Our worship teams are working to continue to develop meaningful Sunday morning livestream worship opportunities.
- The entire staff will be staying connected through email. Staff email addresses can be found at [HERE](#) or you can simply email the general office account at: office@indianrun.org.

Email: help@indianrun.org if you are in need of any kind of support or to let us know of needs that you are aware of in the community, whether it be a neighbor or a loved one. And if God gives you an idea of how we can be the church for others during this time, please let us know and we'll see what we can do to help put that idea into action.

Please be sure to keep us updated with any prayer requests or praises. Text: 614-681-3900 if you would like to share with the congregation or email Pastor Phyllis or Pastor Jeff directly if you would like it to remain confidential.

We also have a Pastoral Emergency voicemail box that you can use to notify us of any needs. Just call the church office at 614-889-7728, press 6 when you get the introductory message, and leave a voicemail on the emergency line. We will be notified and return your call as soon as we are able.
